

Information Pack Kai Iwi Night Snorkel 2020

Kia ora koutou,

Awesome to hear that you are interested in participating in our fourth year of Night Snorkelling in the Kai Iwi Lakes.

There are few things to know – especially if you haven't snorkelled at night before!

Overall Event Information

Explore Lake Waikare by night – see tuna/eels, kawai/koura/freshwater crayfish and bullies. Registrations essential.

When

Saturday 21st of March 2020

Twilight snorkel from 8:00-8:45pm

Night snorkel from 8:45-9:30pm

Where

Lake Waikare, Kai Iwi Lakes Dargaville

What

45mins of guided twilight/night snorkelling

Cost

Experiencing Marine Reserves runs a series of free and subsidised events over the summer months that rely on public support to make them happen. We appreciate donations to participate, either cash or eftpos on the day, online or by giving a koha of your time volunteering at a future event. Most people donate \$5-10pp.

What's provided

- All snorkelling equipment (mask, snorkel, wetsuit, fins) – you are welcome to bring your own – it just needs to be fit for purpose – no full face masks.
- A guide per group of 4 – your guide will have a torch.
- A re-useable glow stick per participant
- A safety kayaker and designated shore person

What you need to bring

- Togs
- Towel
- Change of warm clothes
- Land torch for navigating the carpark
- Underwater torch (optional if you want to personally have one)

Please do not

- Consume any alcohol or drugs prior to the night snorkel – EMR reserves the right to remove you from the activity if you are under the influence.
- Bring a full face mask – we don't allow them under our SOP for safety reasons.

Getting there

Please ensure you are at Lake Waikare 15mins before your snorkel session.
If you want to make a weekend of it there are two campsites at Kai Iwi Lakes.
We recommend booking in advance.

This event is run as part of the Kai Iwi Lakes Open Day.
